www.digitalmoo.co.uk

### Education:

BA (Hons) Graphic Design  
The University College for  
the Creative Arts Epsom

### About Me:

I am an enthusiastic worker always keen to learn new things and meet new people. I always approach everything with a great passion, and believe in committing myself 110% to all aspects of my life. I graduated from university in 2008 and am currently working at ClickTAG. I am working as a Digital Designer, and my roles include creating and updating HTML sites and newsletters, flash animations and banners. I love to tackle creative briefs, and push my ideas and myself. My favourite Pantone is 5473 and sunshine makes me smile.

### Skills:

I thrive working under pressure, and can keep to deadlines. I enjoy working in teams where I feel I can enhance my ideas. Love learning and experimenting with new software.

### Software:

Illustrator  
Photoshop  
Indesign  
Flash  
Dreamweaver  
After Effects  
Office  
Action script  
HTML  
CSS

### Experience:

ClickTAG  
January 11 - Present

Digital designer, designing and building flash banners, HTML emails, facebook apps, after effects animations, and the odd bit of video editing.

Hijack Media  
September 10 - January 11

Digital designer, designing and building flash banners, and rich media ads.

Libertine London  
October 09 - September 10

Digital designer, designing and building flash banners, animations, HTML newsletters, and websites. Working in a team of creatives on a wide range of exciting briefs.

Direct Design  
September 08 - October 09

Digital designer, roles include building and updating websites, flash animations and banners, and HTML newsletters. I worked as part of a small team, and had to work to short deadlines on a range of projects.
